TORCH BEARERS
THE TEMPLE OF THE PRESENCE™

YES! This is my

AFFIRMATION OF FAITH

I AM One of Saint Germain's Ten Thousand Torch Bearers of The Temple®

Beloved Saint Germain,

In this my Affirmation, I embrace these Articles as Flaming Truths of my Faith:

- I accept the wonderful Truth of my own Mighty I AM Presence! I joyously welcome Beloved Saint Germain's sponsorship of my personal quest to win the glorious reunion with my Presence through the Victory of my Ascension in the Light.
- I AM on Fire with Love for God and for his Firstborn Sons and Daughters who are also destined to return Home to his great Heart. I want every lightbearer around the world to experience this same Peace and Comfort. I desire to help sponsor Saint Germain's great effort through The Temple, to contact these lightbearers and enable them to realize the Fullness of their own Presence.
- I believe in Saint Germain's Path of Freedom through the scientific application of the Violet Flame, and I support his efforts to sponsor a new Golden Age for the Earth.
- I desire to be a vital part of building Saint Germain's Golden Age and recognize The Temple of The Presence® as the outer world Vanguard Activity presently sponsored by all of the Ascended Masters to vigorously advance the cause of their Divine Plan for the Earth.
- I recognize the Brotherhood of Light speaks with one Voice and that Beloved Saint Germain has established the Office of Anointed Representative® to serve as the Ascended Masters' one outer world representative and messenger empowered to: Deliver their Dictations and Discourses; Convey their leadership and direction to the Torch Bearers of their Activity; Speak directly to their Disciples of all persuasions around the world. Therefore, I will support, uphold, and defend the Office and person of the Anointed Representatives and Krisophias™ as these Offices are understood and accepted in our Activity, and I acknowledge Monroe Julius Shearer, Rebecca Issabella Shearer, and Carolyn Louise Shearer, Regina Carolynia Vestia, as the individuals presently anointed in these Offices.
- I recognize that it is the solemn responsibility of the Krisophias to convey the Ascended Masters' leadership and direction to the Torch Bearers of their Activity; Speak directly to their Disciples of all persuasions around the world. Therefore, I will support, uphold, and defend the Office and person of Krisophias as this Office is understood and accepted in our Activity. The Office of Anointed Representative simultaneously holds the Office of Krisophias. In absence of an Anointed Representative, the Krisophias leads the Activity, both spritually and as an organization, in accordance with the Divine Direction of the Ascended Masters.

- *Collegia Serapis® and Krisophias:* As a Torch Bearer, I understand that it is the solemn responsibility of the Collegia Serapis, in conjunction with the Anointed Representatives and Krisophias, to safeguard the Purity of the Truth of Cosmic Law® as taught and practiced throughout all formal Temple events and informal Torch Bearer gatherings. I shall gladly and humbly abide by the standards, decisions, and directives of the Collegia Serapis and the Krisophias as they act to ensure that the Principles and Truths of Cosmic Law® remain inviolate and unimpeachable as they are taught and proclaimed throughout The Temple and to safeguard the Purity of all practices espoused in the name of the Ascended Masters through Temple services, events, informal activities, and gatherings.
- As a Torch Bearer, I pledge to uphold the *Golden Precepts of the Ascended Master Way of Life*™ and the goals of the *Great Commission* as taught by the Ascended Masters through their Dictations and Discourses. Determined to pursue my Path as a career Son or Daughter of God, I am determined to practice these Precepts and advance the goals of the *Great Commission* in my daily life, especially in my interactions with other Torch Bearers in the fellowship of the Mystic Rose of the Ecclesia™.
- In order that the Ascended Masters may continue to use The Temple of The Presence as their Vanguard Activity throughout Saint Germain's two thousand year Dispensation, I understand and agree that it is the sole, solemn responsibility of the Collegia Serapis to meet from time to time in Sacred Conclave to recognize, ratify, confirm, and anoint that Initiate whom Beloved Saint Germain shall Himself elevate and sponsor as Anointed Representative or as Krisophias™. As a Torch Bearer of Saint Germain, I shall afford my continuing fidelity to his Anointed Representative and Krisophias.
- I recognize that The Temple's publications, audio and video recordings, artwork, pictures, names, logos, charts, courses, and teachings are covered by U.S.A. and international copyright and trademark protections and that my active Torch Bearer status and participation in Acropolis Sophia® are both contingent upon upholding the honor of The Temple's copyrights and trademarks by not copying, publishing, replicating, altering, or otherwise using or distributing them, in whole or in part, without express written permission from The Temple's headquarters for each such use.
- In the spirit of those early American patriots who dared to dream the dream of Liberty and Freedom for their country, I gladly join the ranks of Torch Bearers the world around who unite in their Eternal Resolve to give their all in furtherance of the promise of the Dawning Golden Age. I, too, welcome the Opportunity for World Service in its many forms: Through my steadfast Constancy at the Altar in Decree and Affirmation; Through my adherence to the disciplines of the *Golden Precepts*; Through my life and service gladly given to meet the practical needs of this Ascended Master Activity; Through my Love freely and unconditionally bestowed upon my Brother and Sister Torch Bearers who together form the Mystic Rose of the Ecclesia; And through my tithe laid upon the Altar and consecrated to Holy Purpose. To these worthy endeavors do I consecrate my life, my honor, my every effort, and my abundance.
- I have Faith in the Law of the Tithe and will support this Work of Saint Germain and Master Morya through The Temple, tithing always to the very best of my ability as indicated in this application.

As an Active Torch Bearer of The Temple, I affirm the Articles of Faith expressed in these Affirmations to be my very own. I lovingly embrace them, agree to abide by them, and will gladly reaffirm them upon request of the Anointed Representatives, Krisophias, or the Collegia Serapis at any time throughout my participation and tenure as one of Saint Germain's Active Torch Bearers.
